In re Application of :

Smith :
Application No. 10/687,781 : DECISION ACCORDING STATUS
Filed: 17 October, 2003 : UNDER 37 CFR 1.47(a)
Atty Docket No. H0003615 :

This is in response to the renewed petition filed under 37 CFR 1.47(a) on 22 November, 2004 (certificate of mailing date 19 November, 2004).

The petition is **GRANTED**.

Petitioners have shown that the non-signing inventor cannot be found. Specifically, the affidavit of Karen Reilly filed with the present renewed petition establishes that a copy of the application papers sent to the non-signing inventor was returned as undeliverable. Additional attempts were made to locate the non-singing inventor by mail, telephone, and e-mail. Despite these efforts, the inventor could not be located.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the renewed petition, not the declaration. Notice of the filing of this application will also be published in the Official Gazette.

The application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries related to this decision should be directed to the undersigned at 571-272-3231.
